

A photograph of two young girls with long braids hugging in a rodeo arena. The girl on the left is wearing a bright green shirt and dark pants, while the girl on the right is wearing an orange shirt and blue jeans. They are standing on a bed of wood shavings. In the background, a large crowd of people is visible, and a horse is partially visible on the left. The arena is enclosed by a large, curved metal structure.

# Welcome

## **Welcome to Bonanza 2026!**

On behalf of myself and the entire organizing committee, we are thrilled to welcome all of our young exhibitors here in **Richmond, Quebec**. Our little agricultural community is ready to host you all.

When we formed our committee, we were ready to take on the challenge of making this Bonanza absolutely unforgettable. We know you all take pride in everything you have accomplished to get here. We hope you make lasting friendships and create memories that will stay with you for years to come.

An event of this scale would not be possible without the countless hours of planning and dedication from our committee members, and the incredible support of our volunteers, whose hard work behind the scenes brings Bonanza to life.

We also extend our sincere gratitude to our generous sponsors, whose commitment to supporting youth in agriculture has helped make Bonanza 2026 an unforgettable experience.

Thank you to everyone who has contributed their time and resources. We wish all exhibitors the very best of luck and hope you enjoy a memorable week in Richmond!

## **Welcome to Bonanza 2026, and best of luck to all!**

**Chris Lodge**  
*Chair, Bonanza 2026 Organizing Committee*

---

One of the most exciting parts of organizing this years Bonanza is seeing everyone together here in our little town. We all share fond memories of this place and we hope that it will be the same for all of you. We couldn't be more excited to welcome each and every one of you.

When our committee first began discussing what we envisioned for Bonanza 2026, we all came to the same conclusion. We wanted this week to be about the kids. We wanted to create an atmosphere where everyone could have fun, make new friends, and enjoy an unforgettable experience with as little stress as possible.

Whether you're stepping into the show ring, competing in contests, or simply spending time with friends old and new, I hope you take in every moment. The ribbons and awards will always be something to be proud of, but it's the friendships, laughter, and memories you make throughout the week that will stay with you long after Bonanza is over.

To all of our exhibitors, —thank you for being part of this incredible event, and to all of our families, volunteers, sponsors and most importantly the Bonanza 2026 committee, thank you for your time, patience, and dedication, it has been an incredible experience!

We hope you leave Richmond with full hearts, lasting memories, and excitement for the future of our Hereford breed.

# *Peewee & Junior* SHOWMANSHIP

Megan Nicholas along with her family own and operate McCoy Cattle Company at Milestone, SK. They run 300 head of purebred Hereford and commercial cows. Megan is a senior Math and Science teacher in southwest SK. Growing up she was an active member of the CJHA, sitting on the national board for three years and attending 10 Bonanzas over the years. Megan is grateful for all the opportunities the Hereford program has given her including attending the World Hereford Conference this past Fall as a member of Team Canada. She is excited to continue to be a part of such an amazing junior program!

# HEIFER LOTTERY BRED & OWNED

Chad Homer, along with his family, operates Pinch Hill Limousin in Stittsville, Ontario, where they raise purebred Limousin seedstock. Their cattle and genetics are marketed through their annual fall production sale, select consignment sales, and private sales to both commercial and purebred breeders alike. The operation also finishes a small group of cattle for direct-to-consumer beef sales. They place strong selection pressure on cattle that are maternally focused while being backed by performance and proven results.

Chad enjoys being actively involved in the beef industry through youth development initiatives, as well as serving on provincial and national boards. He currently serves as President of the Canadian Limousin Association and is a past Chair of the Beef Show at the Royal Winter Fair. Chad enjoys exhibiting cattle, attending sales across the country, and visiting with individuals from all sectors of the industry. He looks forward to watching his two daughters grow within this great industry as they begin and advance their 4-H and junior careers.

Entrepreneur agricole et acteur de la filière bovine québécoise, Jean-Sébastien Bouffard est impliqué dans une entreprise familiale intégrée qui contrôle l'ensemble de la chaîne de production, de l'élevage à la vente au détail. Au sein du Groupe Bouffard, il participe à l'exploitation d'une ferme comptant près de 2 000 têtes de bovins de boucherie, des vaches-veaux en passant par les sujets de reproduction jusqu'à l'engraissement, d'un abattoir sous inspection provinciale ainsi que de trois boucheries spécialisées sous le nom Face De Boeuf.

An agricultural entrepreneur and key participant in Quebec's beef industry, Jean-Sébastien Bouffard is involved in a vertically integrated family business that oversees the entire production chain, from cattle breeding to retail sales. Within Groupe Bouffard, he helps manage a farm with nearly 2,000 head of beef cattle, including cow-calf operations, breeding stock, and feedlot cattle. The company also operates a provincially inspected slaughterhouse and three specialty butcher shops under the Face De Boeuf brand.

  - The CJHA Heifer Lottery Show will consist of the following:
    - Purebred divisions: Heifer Calf, Yearling Heifer and 2-Year-Old Cow with Calf and Hereford-Plus divisions: Heifer Calf, Yearling Heifer and 2-Year-Old Cow with Calf.

The Bonanza show committee and entry taker will decide eligibility of each entry based on the photograph, and supporting documentation upon receipt of the registration. Entries which are not accompanied by a photo and CCIA indicators, or entries that are determined not to display adequate Hereford characteristics or supporting documentation, will be disqualified and the entry fee returned. Commercial entries are eligible to be shown in the Commercial and Market Steer classes as well as in Showmanship and Grooming classes. All commercial bull calves must be castrated to be eligible to be shown.

### **CHA Definition of Hereford Influence:**

#### **100% Hereford Influence**

A straight bred Hereford animal that has not been registered or is not eligible for registration in the Canadian Hereford Association.

#### **½ Hereford Influence**

50% Hereford genetics verified to a registered Hereford Sire or registered Hereford Dam. This must be verified through an Affidavit and utilizing CHA registry database information OR through a DNA based breed composition test as approved by the CHA.

#### **¼ Hereford Influence**

25% Hereford genetics further defined as a second generation cross on Hereford Influence animals. These animals are eligible for Hereford Influence shows and should display Hereford markings but in some cases may not. It is mandatory that they be genetically verified through an approved DNA breed composition test in accordance with CHA policy and procedure to confirm Hereford heritage.
